

# Grow with Google

## Part II – Get Your Business Online

Learn about Google My Business, a free tool for local businesses who want to connect with customers on Google Search and Maps. Get detailed instruction about creating or updating your business profile or a simple website.

In this session we'll show you how to:

- Create or claim your Business Profile on Google
- Manage your business info across Google Search and Maps
- Use Google My Business to connect with potential customers
- Create a free website using the info from your Business Profile
